**Have you a Life Policy?

 Adequate Sum.**

~~~~~  
 It has been well said that "It is the duty of every man to provide, while yet he lives, for his own; we would say that it is not more his duty to provide for their daily bread during his life, than it is to provide, as far as he can, against their being left penniless in the event of death. Indeed, between these two duties, there is no essential distinction, for Life Assurance makes the one as much a matter of current expenditure as the other."

If you wish to provide future wealth for yourself—this you can do by assuring your Life for a sum to be paid at a given age in your life time, or sooner in event of death. This mode of Assurance is increasingly popular as it secures for the assured himself

**A Provision in Advanced Age,**  
 As well as for his family in the event of his dying before the specified age.

This Company having been established upwards of sixty-five years, ample time has elapsed to prove the soundness of the principles on which it has been conducted. During that period its operations have attained great magnitude, and it has enjoyed much prosperity.

Atlas Assurance--Continued.

LIFE DEPARTMENT.

The Accumulated Premiums amount to more than £1,650,000. The Annual Income exceeds £170,000.

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished where the parties assured have applied the Bonus in reduction of the Annual Premium.

The total Surplus divided amongst the assured up to the present time amounts to more than one million and a-half in actual money, and is represented by a still larger reversionary sum payable at death.

The sum of over £5,742,140 has been paid during the existence of the Office for Claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons Assuring in Great Britain have the option of Participating Rates of Premium or of Non-Participating Rates.

The Rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined Provision may be made for Old Age and early Death, so that a person may secure a sum of money for himself, to be paid at a stipulated age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature of the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

The Directors are ready to receive Proposals for Assurances on any contingency involving payment of a sum at death.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium, and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other.

The great advantage of an Assurance against Fire to individuals of every class can be confirmed by the fact that this company, while it is annually assuring Property amounting in value to more than £30,963,325, has paid for Losses to the Assured within the United Kingdom, since its institution in 1808, upwards of £2,232,139 sterling.

No charge for Policies or Stamps.

Tables of Rates, Forms of Proposals, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92 Cheapside, or to any of the Company's Agents.

THE EXPENSES OF MANAGEMENT, exclusive of commission, are limited by Deed of Settlement to a small percentage on the Premium Income.

FIXED MINIMUM SURRENDER VALUES are guaranteed on ordinary whole Life Policies after three years' duration.

LIFE INSURANCE.

THIS Company offers to the Public the security of an ample paid up Capital, and Accumulated Fund of ONE MILLION AND A HALF STERLING, with an ANNUAL REVENUE OF £200,000 from the LIFE BRANCH ALONE. Four-fifths, or 80 per Cent., of the profits are appropriated to all Policies of £100 and upwards, every Fifth year, and *without responsibility of Partnership.*

The share of profits allotted to each policy may be added to the sum insured and payable at the death of the life—or its present value in cash may be received—or an equivalent reduction of the future Annual Premium obtained at the option of the insured.

Assurances effected at lower rates without participation. Reversions purchased, and annuities granted.

Loans are granted by the Company on Life Policies, on approved personal security, and advances are also made on the security of Policies of adequate value.

VOLUNTEER CORPS.

Persons insured with this Company are at liberty to serve in any Volunteer Corps within the United Kingdom, without prejudice to their policies.

“DAYS OF GRACE.”

By the condition of the Company's Policies, invariably acted upon for upwards of Fifty Years, the period for payment of premiums is not only extended to the days of grace, without forfeiture of the policies, but the sums insured are recoverable, the same as if the claim had risen at any time previously.

No charge for Life Policy Stamps or Medical Fees.

West of England Insurance—Continued.

FIRE INSURANCES

Are effected by the Company at the usual rates on the various descriptions of Property. Manufactories and similar risks insured by special agreement, on favourable terms. Losses by gas explosion are made good.

Forms of Proposals and Prospectuses may be had on application to any of the Company's Agents.
